

THE BULL TERRIER CLUB

FOUNDED 1887

Dear Trophy Invitee,

On behalf of the Bull Terrier Club we congratulate you upon being selected to compete in this year's Trophy Show. The Bull Terrier Club is one of the oldest clubs in the world and the forthcoming weekend is undoubtedly the highlight of the year offering the most prestigious awards available to Bull Terrier enthusiasts. The history of the awards is well recorded and dates back to the 1930's.

We also recognise that our Trophy Weekend has become an international event attracting many visitors from abroad and with the use of recording technology we are now able to produce a high quality DVD which reaches a worldwide audience.

Given the importance of this historic event, we are asking exhibitors to dress in an appropriate manner as a means of further enhancing the day's significance. To this end, we respectfully request that no trophy invitee enters the show ring wearing denim jeans (of any colour), training or sports shoes or round necked T-shirts. We hope you recognise that this request is made as a means of communicating the high regard in which this day is held and ultimately our breed.

A show dress code may seem a small issue for some people. Nevertheless, well dressed exhibitors with dogs and bitches properly presented, especially given recent Kennel Club announcements associated with chalking, make a significant and positive statement to a wider audience.

We very much hope you enjoy your day and wish you all the very best.

Yours faithfully,

The Chairman, Officers and Committee.
