

JIMMY HENDERSON
BULL TERRIER C, Feb 16

The Bull Terrier Club held an open show where **BIS was the dog, Emred Huntsman;** & BOS, the bitch, Caliber Hoss Play.

PD 1 Charishalee Defiant Ghost, powerful mature heavyweight puppy, lovely long sweeping head, powerful neck, power throughout his body, good front, moved well. When fully mature I'm hoping he becomes a better balanced more square dog; 2 Fortifer Fhammetta, good headed brindle, short & deep, steeped in quality, moved well.

JD (0). **MD** 1 Dajan Magic Man, very eye-catching red, lovely head & neck, good mouth, very short & square, good front & feet, showed all the time, typy & attractive; 2 Shacadias Tai Chor, great headed tri, well put together, good front, showed & moved well.

ND 1 Emred Huntsman, top class white, great head, completely filled, mouth correct, powerful throughout. Lovely shapely bodylines, nice deep brisket, straight front, tight feet, powerful quarters, with drop down hocks. Showed & moved well, won BIS despite fierce competition, watch this dog go. BOB, BIS; 2 Shwntarw Comfortably Numd, great head, powerful dog, moved & showed well.

PGD 1 Merlinden Xanado, very sound, well put together red, head needs more turn, mouth correct, lovely long neck, body deep, short & powerful, good front & feet, good powerful quarters, moved & showed well; 2 Kelrev Gold at Fotifer, short, square, cobby, brindle, very good head & mouth, let down by rear action.

LD 1 Lord Of The Itmar, top class, powerful upstanding white, great head, long powerful neck, nice shapely bodylines, straight front, loads of ring presence & a real eyecatcher. Beaten only by a dog who I found to be better balanced & more compact. Nevertheless two great dogs & a credit to their breeder & owners. It gave me a real buzz to judge these superb dogs. RBD; 2 Merlindan Xcaliber, square, cobby, brindle, good head, moved well.

OD 1 Tulsadom Chiyonofuji, big upstanding white, super head, lovely long neck, shapely bodylines, good front, showed & moved well. Unlucky to meet such red hot competition; 2 Sherrywells Red Dragon, well known red who has matured into a real contender, powerful & deep, nice broad chest, good front & feet, good neck & head, showed & moved well.

PB 1 A Brief Encounter at Joswell, super tri bitch, long sweeping arched head, correct mouth, long neck, shapely body lines, straight front, neat feet, needs to steady when moving, very good puppy, one for the future; 2 Avenging Angel at Bullywood, small great head, looks a little long, moved very well, given time who knows.

JB 1 Romagna Parisienne Way, beautiful brindle, great head, showed well, plenty of class & ring presence; 2 Sensuelle Star of Topfuel, lovely headed bitch, steeped in quality, good front a little long, showed like a dream.

MB (0). **NB** 1 Caliber Hoss Play, brindle, short, square, cobby, mature bitch, beautiful deep powerful head, good mouth, front & feet, powerful quarters, moved well, showed all the time. BB, BOS; 2 Javarke Calico of Terjos, good head, correct mouth, good mover.

PGB 1 Fortifer Fryer Fenrir, beautiful well made red, lovely long classic female head, long neck, shapely bodyline, dead straight front, moved well & showed all the time. The young handler certainly knew how to get the best out of her. Just lacked a little in maturity to beat the winning bitch, although very close, carry on & good luck; 2 Bullambi Scarlet Lady, good red, good head, just lacked showmanship to press winning bitch.

LB 1 Oxion Of Unknown Fantasies, beautiful short cobby, heavyweight brindle, great head & correct mouth, good front & moved & showed well; 2 Nominoe's Boudig Ar Breizh of Pollyssa, upstanding white, very good front, make & shape, moved very well, did not have the head to complete with no one.

OB 1 Ducassos Contrary Mary, white bitch, steeped in class, lovely long neck, beautiful head, correct mouth, good front, showed all the time; 2 Topfuel Devil's Paintbrush, great headed brindle bitch, correct mouth, short body, showed & moved well.
